Online courses

Build your confidence and competence in key areas of museum practice.

The courses are free and available to all individual members of the Museums Association. Through a combination of content and exercises, you can complete each course at your own pace, at a time and place that suits you.

The first two courses are now online: Working Ethically and Working with Collections. Working with Community Partners will be available soon.

Student Pack

Online events

Webinars and members meetings currently being held online are all free to members.

Watch previous highlights from our [Coronavirus Conversations](#) series.

Members meetings take place in a different region every month or so.

Webinar topics coming up include: dismantling racism in museums; learning and engagement; and museum ethics.

ANALYSIS — COVID-19

Tensions rise over mass redundancies

The scale of job losses raises questions about what the cultural sector will look like in future

ANALYSIS

Museums walk fine line on domestic tourism

Welcoming back visitors is essential to the survival of many institutions in tourist locations, but reduced incomes and higher costs mean some face an uncertain future

ANALYSIS — STATUES

Debate intensifies over fate of contested heritage

The toppling of Colston has brought a new urgency to longstanding discussions over monuments in the public realm

ANALYSIS

How will Covid-19 shape museums' volunteer workforce?

Could face reduced numbers, but be able to return
